

October 2022

From Newsletter dated April 2022

FRONT DOOR COLORS: The Board has approved these five (5) colors for painting the front doors. Please contact Denise Blackwell for the actual colors/names. You may select the color you want, request/complete an ARC Form, and submit your form to Denise for Board approval. Due to security issues, owners paint their own front doors in Sunset Cove as the doors need to remain open for a number of hours to dry.
